

# ***The Digital Savvy Senior***

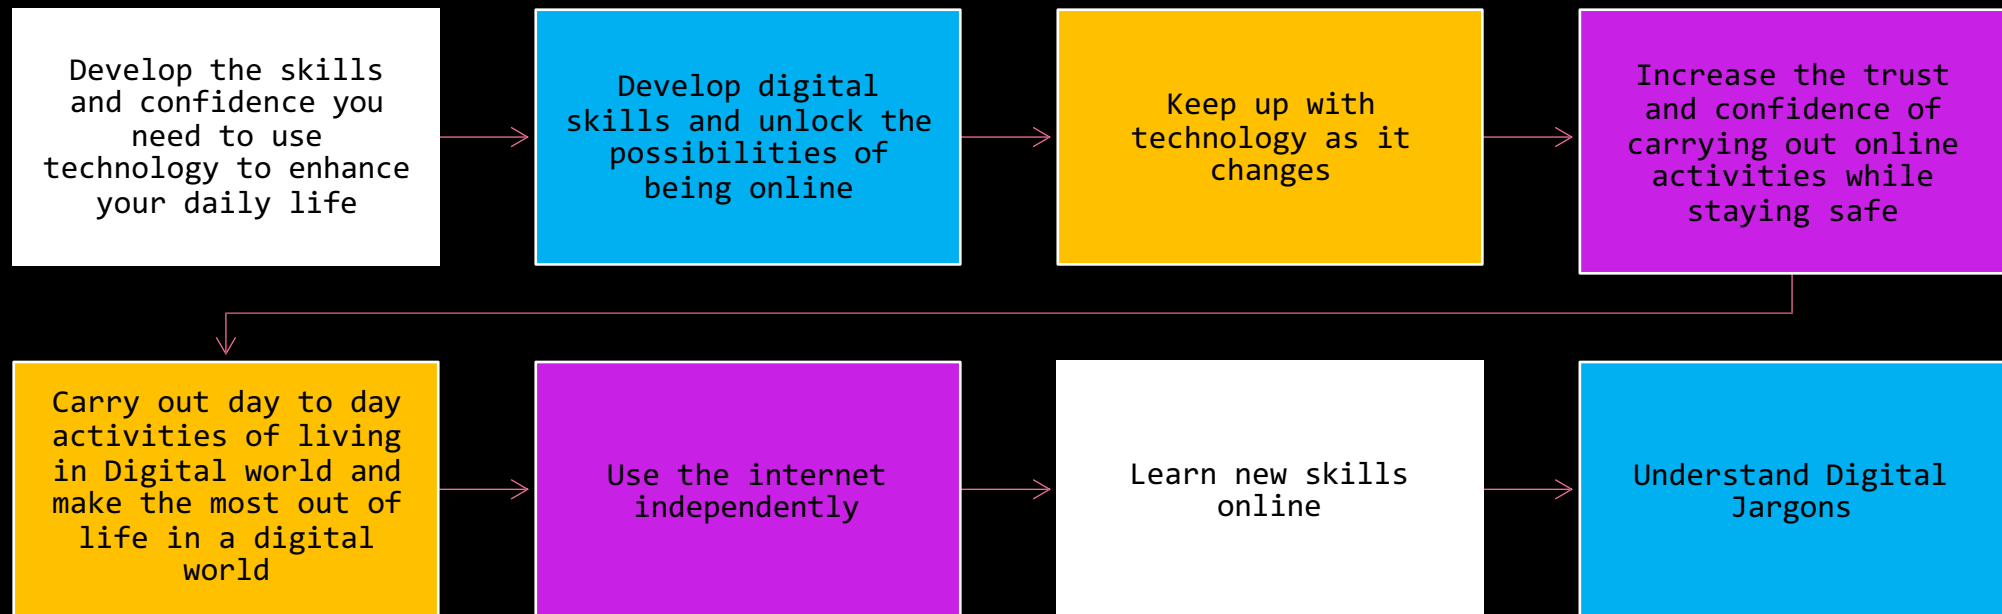

Essential life skills  
for seniors in a digital  
world

# Why Join The DSS Network?

The Digital Savvy Senior program offers essential life digital skills training for seniors. We work with seniors to develop and refresh the skills they need to use technology to enhance their daily lives, unlock online opportunities, and stay safe as the digital world evolves. Join our community of Digital Savvy Seniors (DSS) and thrive in today's tech-driven world.

Our comprehensive global Curriculum covers comprehensive curriculum covers knowing your smartphone or tablet, staying safe online, everyday online tasks, shopping online, banking online, documents, printing, social media, Zoom, ChatGPT and more.

**Become a Digital Savvy Senior (DSS) today!**

# Digital Savvy Senior

“I need to print a document now.....  
Let me call my staff”
